Instructions for Client Site Access and Use

Access our website at: www.amsafe.com

Select "Customer Login" at the top RH Corner of the web page

Then select and click on "AmSafe Aviation Customer Partner Site" link in the middle of web page.

*First Time User – Select "Register" button and fill in all information. Under "**Notes**", please include: FIRST RESPONDER as this will expedite your access to the proper location on our website for updated information.*

After your registration is processed, you will receive an e-mail authorizing your access with 24-48 hours. The more information included in the NOTES section the faster your access can be authorized.

After registration is accepted, you can return the www.amsafe.com *link.*

Then select and click on "AmSafe Aviation Customer Partner Site" link in the middle of the web page.

Enter user name and password and click on "Go" button.

This will access the Customer Client page which contains AmSafe documents/reference material that is the most current for the AAIR fielded applications.

Adobe Acrobat (Reader) 5.0 or later version must be used to view, print, or save a copy of desired document/drawing.
